Dear Colleagues,

Seasons Greetings & Best Wishes.

MAA ENT Institute shares its delight with you in organizing its 19th workshop on Advanced Techniques in ENT Hands on Cadaver - FESS scheduled from 4th to 7th of November 2011.

Emphasis of this workshop is on Hands on Endoscopic Sinus Cadaver dissection with Medtronic Microdebrider, Karl Storz Sinus Endoscope and Stammerger's set of instruments is limited to 20 delegates per day from 5th - 7th November 2011.

Live demonstration of latest technology in ENT viz., Robotic Laser Surgery, CT guided navigation in FESS; Coblation aided surgeries in ENT like tonsillectomy, adenoidectomy, Tongue base reduction by channeling will be done on 5th & 6th November 2011.

Hence kindly register early to avoid disappointment.

It is indeed a pleasure to invite you to this workshop and your registering will be our gratification.

Warm Regards,

Org. Committee.
