**Dr. Venkat Ram Reddy,**  
Organizing Secretary

## Dear colleagues,

**The 60th MAA ENT Annual workshop for the year 2020 is scheduled from 7th to 9th February , at The Convention Center , Marriott , Hyderabad.**

**Professor P. J. Wormald** from Australia, our international Guest Faculty on ENT & Rhinology Specialist along with a panel of eminent ENT Faculty would impart their skill & wisdom to the workshop participants on techniques of achieving safe and precise sinus surgeries.

**Dr. Triffon Kiratzidis** from Greece is our International Guest Faculty on Otology supported by MAA faculty. Don't miss his Molded Full Tympanic graft which is a very promising technique to learn in this work shop.

**Dr Joao Flavio** from Brazil has joined the august Faculty of MAA ENT for the first time and his Endoscopic surgical Skills are very impressive, they open the doors of complex Middle Ear anatomy to make the Endoscopic ear surgery a very successful.

We invite your participation in the workshop that adds great advantage to your proficiency and an experience of great learning.

MAA ENT is delighted to share with you the inception of a 100 bedded state-of-art unit with ultra modern facilities at Jubilee Hills, Hyderabad, with specialized ENT services exclusive in southern India.

Yours Sincerely,  
**Dr. Venkat Ram Reddy**  
Organizing secretary

## International Guest Faculty

**Prof. P J Wormald** is from Australia, one of the few Endoscopic Sinus Surgeons who has introduced many techniques to simplify glitches faced by an ENT Surgeon while performing Endoscopic Sinus Surgery. His fellowship programmes in Endoscopic Surgeries is one of the sought after "Courses" worldwide.

**Dr. Trifon Kiratzidis** is from Veria, Greece. Inventor of "Transcanal Technique of Cochlear implantation", popularly known as "Veria Technique". He is also the designer of cordless processor that resolved many issues with cochlear implant technology. A wonderful technique; "Molded full Tympanic graft" whose hearing outcomes are excellent along with very high graft take up, is also designed by him.

**Dr Joao Flavio Nogueira** is one of the proponents of Endoscopic ear surgery(EES). He has produced "silver books" on endoscopic middle ear anatomy (2010) and Endoscopic management of cholesteatoma (2011). He was one of the editors of the best selling edition of the "Otolaryngology Clinics of North America" on endoscopic ear surgery (2013). He is well known for his Endoscopic Ear surgery skills.
